

**European Congress
of
Work and Organizational
Psychology**

May 21 - 24, 2025 / Prague, Czech Republic

CALL FOR WORKSHOPS

The European Association of Work and Organizational Psychology (EAWOP) extends a warm invitation to researchers and thought leaders to submit workshop proposals for the upcoming 2025 congress. We are seeking engaging and insightful sessions that will challenge traditional boundaries and foster intellectual growth among professionals in the field.

Session Lengths: Choose between half-day (3 hours) or full-day (6 hours) formats.

Capacity Options: From groups of 15 to 50 participants.

Interactive and Engaging Formats: We encourage innovative and participatory approaches to workshop delivery.

Sought-after Topics Include:

Advanced Research Techniques

Structural Equation Modelling, Mediation, Meta-Analysis, Innovative Data Visualization Techniques.

Cutting-Edge Professional Practices

Latest advances in Psychometric Testing, Organizational Development, and Process Consulting.

Diversity and Ethics

Explore complex issues in Diversity, Inclusion, Race, and Ethics within organizational contexts.

Academic Contributions

Techniques for writing impactful academic papers and influencing policy makers, with special sessions led by esteemed journal editors.

Other workshop topics are welcome.

Submission Guidelines

Abstract:

Proposals should include a comprehensive overview of the workshop's focus and aims (maximum 500 words).

Presenter Profiles:

Include detailed bios emphasizing the presenters' research background and expertise.

Target Audience:

Clearly identify the primary audience for your workshop and outline the benefits for attendees. Indicate the minimum and maximum numbers of participants that the workshop can accommodate.

Engagement Strategies:

Detail your plans for interactive learning and participant engagement.

Important Dates:

Application deadline ~~October 1, 2024~~ **Extended until October 15, 2024**

Acceptance Notification October 20, 2024

Please submit your proposals via form [HERE](#).

For additional information or queries, reach out to secretariat@eawop2025.

Why facilitate a workshop at EAWOP 2025?

Facilitating a workshop at EAWOP 2025 offers you a platform to showcase your research and innovative practices, influence peers, and contribute to the ongoing dialogue in work and organizational psychology. This is an unparalleled opportunity to network with fellow academics and practitioners from across the globe and to make a lasting impact on the field.

We are excited to see your proposals and look forward to an inspiring exchange of ideas at EAWOP 2025!
